Parents of High School students should have received a letter about FamilyLink so they can access their student's grades online. This program will go live on Monday, September 18th, 2017.

### Grade School:

No grade school games this week, but they will start next week on September 19<sup>th</sup>.

The K-8<sup>th</sup> grade Welcome Back to School BBQ was a huge success. About 150 people attended. Many students were very excited to show their parents their classrooms, desks, and to visit with the teachers. Kenny Humphrey and Dallas Harsin did a great job barbequing the hotdogs, what a positive way to kick off the year.

### District:

Individual, class (Grade School only), and most Fall sports pictures will be taken on September 18<sup>th</sup>. Be looking for the picture packets this week.

We want to send a huge Thank You to **SHELLIE JOHNSON** and **THE CITY** for keeping the pool open the first week of school for students to swim during PE/Recess. This is such a positive way to start the year off for students, and with the hot weather it was a huge treat. We also want to thank the volunteers that came and swam with students during the week: **Dallas Harsin, Jeff Schott, Ashleigh McIntosh, Maggie Cooper, and Bryce Harrison**. We can't successfully do these types of things without volunteers, so it is greatly appreciated.
