

## Parents Right-to-Know

### Professional Qualifications of Classroom Teachers

Condon Grade School is a Title I school. Title I schools receive federal funds to provide assistance to students who may need extra support in either reading or mathematics. A new federal Title I law requires all districts to notify parents of all children in Title I schools that they have the right to request and receive timely information on the professional qualifications of their children's classroom teachers. This requirement applies to all Title I schools.

Parents wishing such notification are encouraged to contact the Condon School District Office.
